Year 3 and 4 homework; due in Tuesday 20th September 2022

English

This week we have been identifying verbs in sentences. E.g. The chicken ran across the road.
Choose your own challenge level below and highlight the verbs (there might be more than one).
Challenge: identify the nouns in a different colour.

Noah built an ark. The lions walked into the ark. Rain fell from the sky. The ark floated on the water. God spoke to Noah. The water flooded the land.	The rain fell for 40 days and 40 nights until even the mountains were covered with water. God decided to put an end to the human race because he was angry with how people behaved. Noah was chosen by God because he was a good man. Noah sent out a dove from the ark in order to find land. Noah did everything that the Lord commanded. Two elephants slowly trudged up a gangway and squeezed into the ark.	Build a boat for yourself out of good timber; make rooms in it and cover it with tar inside and out. Noah was 600 hundred years old when the flood came on the earth. After 40 days, Noah opened a window and sent out a raven. Noah removed the covering of the boat, looked round, and saw that the ground was getting dry. The flood continued for 40 days, and the water became deep enough for the boat to float. With them went every kind of animal, domestic and wild, large and small, and every kind of bird.

Reading

Make sure you are reading a book you are enjoying and want to read. To help your reading further, you should be reading a minimum of four times a week. Write a comment in your reading record. You could try thinking aloud to help you make sense of what you read.

Maths

In maths, we have been representing numbers in different ways including base 10:

- 332

Choose your challenge level and represent it using base 10.

Mild	Spicy	Hot
1) 38	1) 472	1) 7215
2) 61	2) 614	2) 3571
3) 79	3) 703	3) 6863
4) 26	4) 691	4) 1058
5) 29	5) 193	5) 6024

Project (RE)

We are considering what Christians believe about Creation during our learning in RE. For you home work this week, we would like you to find (e.g. by using the internet), draw or take a photo of something in nature that makes you go WOW! It could be a photo of your favourite animal, a beautiful plant or an interesting habitat. We are looking forward to adding them to our display. You can choose to stick them in your home work book or email them to us:

Year 4: a.field@banburystmarysschool.co.uk Year 3: t.smith@banburystmarysschool.co.uk
