English

This term we will be reading and working on *The Lighthouse Keepers' Lunch*. Write a few sentences describing your ideal packed lunch e.g.

For my packed lunch, I would like to have a sausage sandwich with ketchup, a packet of cheese and onion crisps and an extra-large KitKat. I would also like to have a bottle of apple juice.

Maths

This week we have been working on *Doubles*. Show the following number sentences by drawing pictures or taking photos.

$$2+2=4$$

$$3+4=6$$

$$4+4=8$$

Reading

We want you to be reading a minimum of four times a week. Make sure you are reading a book that you enjoy and want to read. To help your reading further, write a comment in your reading record.

Your focus question this week is;

Tell me about a new word that you have learned from your book; what does it mean?

You could ask a grown up to write your answer in your homework book or in your reading record.

Project: Science

This week we have been looking at materials. Find three different objects at home and make a list of the materials that they are made of e.g.

Microwave: Metal, plastic, glass

Sofa: Fabric, wood, foam rubber

Wardrobe: Wood, metal, plastic
