Maths

Next week we will be looking at numbers to 50. You can get yourself ready by learning the all the 10s to 50.

Copy the numbers and words into your homework book.

10 = ten

20 = twenty

30 = thirty

40 = forty

50 = fifty

Reading

We want you to be reading a minimum of four times a week. Make sure you are reading a book that you enjoy and want to read. To help your reading further, write a comment in your reading record.

Your focus question this week is;

Which is your favourite picture from your book? What does it show?

e.g. My favourite picture shows

You could ask a grown up to write your answer in your homework book.

Project: Science

This week we have been looking at materials and discussing their qualities. Different materials can be hard or soft, bendy or stiff, shiny or dull, smooth or rough.

Find three different materials and describe their properties e.g. Metal is shiny and hard. Rock is hard and rough. Rubber is bendy and dull
