Reminders

Share

We share the equipment and take turns if someone else wants to play. Adults will help us to negotiate.

Risk
assess

We will identify the risks and then make safe choices for ourselves and others.

Be kind

Being kind is an integral part of our charter. When we are kind to others everyone will have better play and lunchtimes.

Listen

Are your friends feeling safe? Do they feel included?
Listen to grown ups - they will help everyone have fun.

Tidy up

EVERYONE helps to tidy. Listen for the whistle in the zone you are in.

No
throwing

Throwing can damage you and the equipment. Please do not throw.
