

Home learning ideas – Chomp!

Choose a task for each week of the term. We want you to be engaged with your homework so there is a lot of choice for you. You can either share your work electronically (email to d.hajdu@banburystmarysschool.co.uk) or add to your homework book.

 Create a "Food Passport" showing five different countries and a traditional food from each one? Find out about what ingredients are used to make the traditional dish? How is the food prepared and cooked? And when people traditionally eat this food?	 Research animals with unusual or impressive teeth and make a fact file about them.
 Become "Kindness Champions" for a week. Complete five acts of kindness and create a diary documenting what you did. • What did I do? • Who did I help? • How do I think they felt? • How did I feel?	Design a restaurant based on a country of your choice. • Restaurant name, logo and menu • Starters/ Main courses • Drinks/ Desserts • Prices and pictures of the food 
Create a 3D model or poster showing what happens to food after we eat it. 	 Create a four-season food calendar. For each season, find foods that are commonly available in the UK.
With the help of out adults at home, choose any seasonal ingredient and make something at home and document the process through photos or video: Ingredient → Recipe → Making → Finished food Example Ideas: • 🍏 Apple crumble • 🎃 Pumpkin soup • 🍓 Strawberry smoothie 	Choose two animals with very different diets. For example: Lion vs Cow Make a comparison chart: • Diet (what they eat) • Teeth shape • Teeth size • How they chew • What their teeth are used for
