

Home learning ideas Groundbreaking Greeks

Choose a task for each week of the term. We want you to be engaged with your homework so there is a lot of choice for you. You can either share your work electronically or add to your homework book. All the homework tasks from this term will be shared at the Pop up Museum expo at the end of the term.

History	Design	PSHE
Make a travel brochure about Greece, focusing on its ancient history. Where would you travel to? Where would you stay? What could you do while you were there? Include monuments and buildings with a special interest for tourists.	Select a famous building and create a model of it. Use any material of your choice. Explain what you like about the building.	Find out about the women's fight for the vote through the Suffrage Movement. Present the information in a format of your choice.
Gods and goddesses Research Greek gods and goddesses. Choose one and write a fact file about them.	Research Greek temples and especially the columns used in different periods. Make a model or create a presentation about a Greek temple. 	Create an island and decide on the 10 laws that will be part of your island's charter. Explain why you have chosen each law.
Famous Greeks: The Greeks were famous for their clever thinking and we still remember and use some of their ideas today. Examples are Pythagoras, Aristotle, Hippocrates. Research a famous ancient Greek and present in a format of your choice.	Think like an architect to design and build a structure only using natural materials. https://www.youtube.com/watch?v=86fXma32sRM&list=PLQIkSVdn4-CxYK7Bv_NCmOxXtxROUW6I4	Research a politician (from the present or the past) of your choice. What did they achieve and what should we know about them.
Choose an aspect linked to Ancient Greece that you would like to find out about and become an expert. Present what you have learned in a format of your choice.
