Kingfishers Home learning ideas: Weather Watchers!

Choose a task for each week of the term. We want you to be engaged with your homework so there is a lot of choice for you.

You can either share your work electronically (email to: a.duff@banburystmarysschool.co.uk) or add to your homework book

Science - Seasonal Changes

Go on a weather walk. Look for signs of the current season.

Take photos or draw pictures of what you see. Can you label them?

English - Weather Words

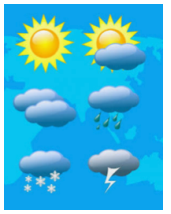

Make a list of words to describe the weather.

Can you think of adjectives? E.g. sunny, cold, windy, stormy, rainy, foggy.

Geography - UK Weather

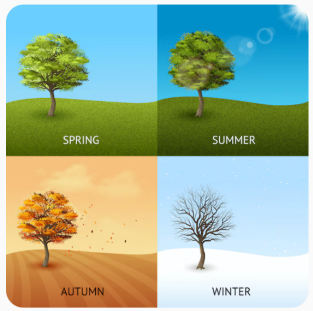

Find out what the weather is like in different parts of the United Kingdom. You could use a weather app, TV or website. Draw a simple map and add the weather symbols.

Science - Plants in Different Seasons

Choose a plant, tree or flower. Draw a picture of how you think it changes in the four seasons (spring, summer, autumn and winter). You can use labels.

https://www.bbc.co.uk/bitesize/topics/zndc96f/articles/zp4sydm

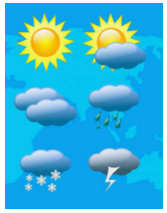

English - Weather Poem

Write a short poem about the weather. You could describe different types of weather or choose your favourite.

Geography - Weather Around the World

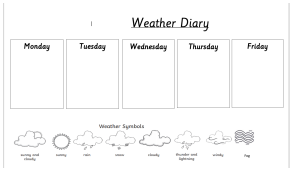

Choose a country and find out what the weather is like there. Is it hotter, colder, wetter or drier than the United Kingdom? You could draw a picture or make a fact file.

Science - Weather Watchers

Keep a weather diary for one week. Draw a weather symbol each day and write a short sentence about the weather.

English - Weather Story

Write a short story about a day with different weather. You could include sunshine, rain, wind or snow. Think about where your story is set and what happens.

Creative Challenge - Make a Weather Picture

Use natural materials or craft materials to create a weather picture. You could make a sunny scene, a rainy day, a snowy, a cloudy or a stormy sky.
