

Worship

This term we are going to be thinking about treating other people with respect. Treating people with respect is a good thing to do, something that involves being kind to others and making them feel worthwhile.

Think about if you think in general, people are treated with respect in this school, in their families and on TV or social media. Sit quietly for a few seconds and think about whether they treat other people with respect.

Unfortunately, we don't always see people treating others with respect. However, it is a good thing always to keep respect at the forefront of our minds.

Prayer

Dear God,

Thank you that you value each one of us.

Please help us to treat others with respect.

Help us to embrace differences between us.

Help us to love others, even if they are very different from us.

Help us to see the value in each individual person.

Amen.
