

Reflection worship

Our school Christian values are at the heart of how we live and learn together at school. We always try to spot our values in action and reflect on how our values enable us to 'Learn, Transform and Grow'.

In our worship yesterday, we learnt that Jesus grew angry because people were not showing respect for God's holy temple. and for the people who worship there. Perhaps you have felt anger when you have seen a special place or person being disrespected.

Let us pray;

Dear God,

Make the places of worship in Banbury, houses of prayer and respect, and places where heaven and earth seem very close.

Amen.
