

Homework Kingfishers

Due back to school – Tuesday 16th January

This week we have been helping a knight get ready to fight a dragon. Write three sentences that would help a dragon get ready to fight a knight e.g.

A dragon needs to be fierce.

A dragon needs to breathe fire.

A dragon needs to have sharp teeth.

Maths

We have been identifying and sorting shapes this week. Look around your home and see what shapes you can find. You might see a rectangle in your door, a circle in the washing machine or a triangle on your blanket. Take a picture of, or draw, three different shapes and where you found them.

Reading

We want you to be reading a minimum of four times a week. Make sure you are reading a book that you enjoy and want to read. To help your reading further, write a comment in your reading record.

Your focus question this week is;

Tell me about a new word that you have learned from your book; what does it mean?

You could ask a grown up to write your answer in your homework book or in your reading record.

Project: Knights and Castles

We have been looking at what makes a good castle. Draw a picture of a castle and label the following parts.

Tower

Wall

Drawbridge

Moat

Can you remember the names of any other parts?
