

Homework Kingfishers

Due back to school – Tuesday 19th March

English

This week we have been using apostrophes to write contractions.

Rewrite these sentences using contractions; don't forget the apostrophe!

I am going to park.

I will be there soon.

We will not be late.

Challenge: Write your own sentence using the contraction for would not, could not or should not.

Maths

Subtraction

Subtract is another way of saying "take away". Read out and complete the following number sentences.

10 – 1 = ten subtract one equals

10 – 2 = ten subtract two equals

10 – 3 = ten subtract three equals

10 – 4 = ten subtract four equals

10 – 5 = ten subtract five equals

Reading

We want you to be reading a minimum of four times a week. Make sure you are reading a book that you enjoy and want to read. To help your reading further, write a comment in your reading record.

In addition to this, please practice and learn 3 spellings from your word list.

Project: Science

Your homework project this term will be to create a model of your favourite animal in its natural environment. This could be made from a shoebox, cereal box or something similar. You will be expected to do a different part of your project each week.

This week, we have been learning to classify animals; write a couple of sentences that tells me what class of animal you have chosen and how you know e.g.

"A giraffe is a mammal. It has an internal skeleton and has fur. It breathes air and walks on land. It also has live babies."
