

Homework Kingfishers

Due back to school – Tuesday 14th November 2023

English

We have been thinking about the jobs that Humpty Dumpty's friends recommended for him; write down three of the jobs that they suggested.

(If you can't remember you can suggest three of your own).

Maths

We have been learning about composition. Pick a number between 5 and 10 and write down 3 sentences that explain how it can be split into different parts e.g.

6 is made of 5 and 1

6 is made of 4 and 2

6 is made of 3 and 3

Reading

We want you to be reading a minimum of four times a week. Make sure you are reading a book that you enjoy and want to read. To help your reading further, write a comment in your reading record.

If you read a fiction book (story book) your focus question this week is;

What is the trickiest word you've read this week? Can you write a sentence using that word.

Project: History: Who Am I?

We will be working on our History project next week, so we will need pictures of you as a baby. Please bring in a printed picture or email them to:
