

## Progression in Poetry

This document sets out the objectives in the national curriculum that could be relevant to poetry in each year group. Where appropriate they have been adapted (*noted in italics*). Suggested outcomes have been given in the right-hand column. These are not musts for each year group, but just ideas for outcomes and could be used to support a school with long-term planning in poetry. It would be up to an individual school to decide what is appropriate for each year group in their setting.
