

Worship

Today in worship we are thinking about our responsibilities. What do you think are your responsibilities as a pupil of St Mary's Primary School?

To show respect to your friends and teachers?

To work to the best of your ability?

To complete homework set?

To come to school on time?

To listen in class?

To work as part of the St Mary's team?

What happens when we aren't responsible at school? Today you may find yourself in a situation where you can take responsibility for your own actions, or you can look around for someone else to blame.

Ultimately we are responsible for ourselves. We should accept our own responsibility for our own actions.

Prayer

Dear God,

Thank you for all the many neighbours we have at school, where we live, within the UK and around the world.

Thank you for all the different ways in which we can help our neighbours.

Please help us to notice when those around us need help.

Please help us to take responsibility for our actions

Amen
