

# Worship

*In today's worship we are thinking about the charity 'Toybox' and how they provide hope for millions of children around the world.*

*The United Nations estimates there are hundreds of millions of street children but exact, official figures are virtually non-existent. These children are invisible to the world, living without rights and protection on some of the most dangerous streets in the world.*

*Toybox works in seven countries around the world. We adapt our work and programmes by working alongside our local partners who understand the unique challenges of each country.*

*Toybox work to protect children from abuse, neglect, violence and exploitation today as well as the consequences of these tomorrow.*

**Prevention:** *Helping children before they end up on the streets.*

**Intervention:** *Working to support children who are living on the streets.*

**Reintegration:** *Supporting children into a safe home away from the streets.*

## Prayer

*Father God I thank you for everything you have blessed me with today.*

*Thank you for my friends and family. Thank you for keeping me safe.*

Amen
