

Worship

This term we are thinking about hope. Last week we hear the story of the 'Three Trees' and we saw that life may not turn out as you had imagined, sometimes god has something even more special in mind for you.

The next time you feel down because you didn't get what you want, sit tight and be happy because God is thinking of something better to give you. God has a plan for each of us. There may be times we lose sight of our dreams, and we may not understand things that take place in our lives. We must remember though that God loves us, has a plan for us, and is in control; therefore we can trust Him.

Can you think of a time that you hoped for something but you got something even better instead?

Prayer

Enable us to give Hope to others through Your work amongst us

Use us to transform our nation and to spread Your Hope to every corner of this nation.
