If you are not able to access this film clip, ask at least one family member to tell you about a time there they have had to be **responsible** for something or someone.

RESPONSIBILITY

Watch a short Dreamworks film called 'First Flight' and answer these questions:

- Why did the man feel responsible?
- Was it the man's responsibility to help the bird?
- Do you think he made the right choice? Why/why not?
- How did having responsibility change the man?
